Mail Stop Amendment

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing fourteen (14) references to be considered by the Examiner. Also enclosed are two (2) foreign patent references (in Japanese) and two (2) English translations of the abstracts of these two foreign patent references as listed on the Information Disclosure Statement. Pursuant to M.P.E.P. § 1.98(a)(3)(i), Applicants submit that they are unaware of what the Japanese text of these foreign patent references fairly disclose, and that each of these foreign patent references is being submitted for the relevance, if any, of what the figures of these references fairly disclose.

This Information Disclosure Statement is being filed before the receipt of a first Office Action on the merits, and presumably no fee is required. If a first Office Action on the merits was mailed before the mailing date of this Statement, the Commissioner is authorized to charge the fee set forth in 37 C.F.R. § 1.17(p) to Deposit Account No. 11-1410.
